

10 January 2020

Dear Participant,

The Fisher House of Salt Lake City is pleased to announce the Annual Foursomes for Fisher House Golf tournament sponsored by the Knights of Columbus.

Through their generosity and dedication this event has raised thousands of dollars over the years. Just in the last couple years at our facility at the VA Medical Center in Salt Lake City, a children's playground with security fence was constructed, two golf carts for hospital transportation purposes were purchased, a heated cart garage was constructed and outdoor protective awning was installed on the patio with proceeds raised by this annual event.

All proceeds from this event go directly to the Fisher House and its families.

As many of you know the Fisher House provides a home for families of veterans who are receiving medical treatment. Their cost is completely free! Since it's opening eight years ago, over 12,000 families have stayed at our Fisher House! All this is made possible by the generous donations of so many organizations that raise the funds to make all this possible.

The Knights of Columbus will host the tournament again at the Stonebridge Golf Course in West Valley City. As in previous years this annual event is full of fellowship and is an excellent venue to support the cause of the Fisher House.

You are invited to participate, sponsor, donate or contribute in any way you see fit. Regardless of time, talent or treasure your involvement will add to the success of the event while contributing to the continuing support to our veterans and their families!

We at the Fisher House are excited and honored to be a part of this event. On behalf of the Fisher House Families and the staff we thank the Knights of Columbus, and all who support this event through their sponsorship or through their participation... your generosity is very much appreciated!

Sincerely,

Ray Bachiller, Colonel, US Marine Corps, Retired  
Chairman, Fund Raising Committee  
Fisher House, Salt Lake City
